

# Track and Workshop Recommendations

FRANCISCAN AT HOME  
*Forming those who form others*

As of December 2022, there are 16 available tracks, and over 200 workshops available in Franciscan's online learning system, Franciscan at Home. Below is meant to be a helpful guide for how you can use these tracks and workshops to help form the faith of your employees, ministry leaders, volunteers, families, and other parishioners. This is by no means an exhaustive guide but should be a good starting point. Individual workshops can be found by using the search feature in the "Workshops" section on your dashboard.
